PLAYBACK SOCIAL ENTREPRENEURS: EPISODE 103 COVID, CLIMATE CHANGE AND COMMERCE

SUMMARY:

PLAYBACK SOCIAL ENTREPRENEURS: Episode 103 takes an in-depth look at the current state of economic innovation as business leaders around the world face multiple crises. This special episode features exclusive reporting on the impact that the COVID-19 Health Crisis and Economic Contraction have had on Global Markets.

PLAYBACK SOCIAL ENTREPRENEURS is the first series entirely focused on Sustainable Development, Corporate Social Responsibility and Impact Investing.

Created by **VOYAGE Productions** and distributed by **Dreamscape Media**, the series is currently streaming on **AMAZON PRIME** and broadcast on **PBS** stations across the United States.

Featuring: Nobel Prize Winning Economist Joseph Stiglitz; U.S. Congressional Representative Raul Grijalva (AZ); CEO of St. Mary's Food Bank, Tom Kertis; Environmental Activist, John Trudell; Musician & Activist, Bonnie Raitt; Founder of Native News Online & Tribal Business News, Levi Ricketts.

SPECIAL REPORT: In the latest program, the series returns with exclusive profiles of entrepreneurs, politicians and environmental activists faced with a new set of challenges that is forcing businesses to adapt to changing consumer demands. Issues like Climate Change, Food Insecurity, Income Inequality and access to Healthcare are driving the marketplace and increasingly being embraced by innovative companies. Conventional ways of doing business are being replaced by more Sustainable business models, Supply Chains and Mission driven enterprises.

PLAYER POWER is an ongoing feature of **PLAYBACK SOCIAL ENTREPRENEURS** profiling Innovators changing industries. In this episode we profile the pioneers of Sustainable Fashion. A global industry that has traditionally been one of the most profitable, the conventional business model of "Fast Fashion" is now being rebuilt by designers and manufacturers. Perhaps no industry is being more affected by changing consumer preferences and awareness of Generation Z's "Values Based" purchasing power than the garment and textile sectors.

Featuring Fashion Industry Leaders: Christina Dean of Redress Asia & TheRCollective (UK/HK); Daniela Pais of Elementum (PT) ; Anna Evarista of Ablesia (PT) , Elizabeth Cross of Moda Circolaire (CA); Nynke Eggen of The Sustainability Club (NL).
